

FMH-24-C2-3S-IR

Flush Mount Thermostat, 24VAC, Cool only - two outputs for Cool, 3 fan speeds and IR option

The FMH-24-C2-3S-IR is a fully featured, flush-mount thermostat suitable for commercial or residential applications to control a large variety of HVAC systems.

It is targeted for Cool and Fan Only applications and has

2 outputs for Cool and 3 fan speeds.

The FMH-24-C2-3S-IR is a smart looking thermostat with large, easy to read LCD display and a simple user interface.

Features

- Flush mount, 24VAC thermostat
- Cool Only Thermostat, with 2 Cooling stages
- Fan modes: Fan on / Auto fan / Auto speed
- 2 outputs for Cool
- 3 Fan Speeds
- Auto fan - selectable
- Auto speed - selectable
- Remote Control – optional
- Energy saving – operates up to 2 compressors, if needed by smart logic algorithms
- 3-minute compressor delay (to protect the compressor)
- Automatic temperature offset
- Daily, digital Timer from Remote control – optimal when you are asleep or away
